

Welcome to the Value of Blue with Delta Dental!

The Experience of Blue

Blue Cross & Blue Shield of Mississippi (BCBSMS) has partnered with Delta Dental to make sure your employees find all they need in one place. They can access and use their new Delta Dental benefits with their BCBSMS Virtual ID card in the *myBlue* mobile app.

Largest Dental Network in the Nation

Save by choosing a dentist in America's largest nationwide dental provider network.¹ Your employees can keep their dental expenses as low as possible with no balance billing by Network Dentists. These dentists have agreed to reduced fees, and you won't get charged more than your expected share of the bill.

SmileWay® Wellness Benefits

Because the health of teeth and gums is part of overall wellness, your employees can put wellness first by opting into SmileWay® Wellness Benefits and receive additional cleanings if they've been diagnosed with certain conditions.
