

Getting care is easier than ever with only one number to call across all Hawaiian Islands. Call **1-833-833-3333** (TTY **711**) for:

Appointment scheduling and cancellations

24/7 medical advice

COVID-19 vaccine and testing information

Flu information

Pharmacy services including refills

Along with our new number, we've also added a new interactive voice response and virtual holding system. We realize your time is important, and with our new virtual holding system you can save your place in line without waiting on hold. Don't forget to save our new number in your phone!
